Course for Teachers

Smart Board: Beyond the Basics

So you have accomplished the basics in using the Smart Board in your classroom. Now you want to learn more tips and tricks beyond the basics. The *tech-reach* program at Elder High School is offering the class:

SmartBoard: Beyond the Basics

Date: Tuesday, August 10, 2010 from 9:00 a.m. to 12 p.m.

Where: Elder High School's Schaeper Center off of Glenway Avenue

Cost: \$5 per student CEU's (.3) can be earned.

Description of Course: We will be using SmartBoard version 10. You will participate in demonstrations using interactive websites, graphics, the Lesson Activity Toolkit, the Gallery and more, and take back to your school tons of ideas for using the SMARTBoard to engage learners and enhance instruction. Teachers will have the opportunity to work on the Board in small groups and to consult with Kathy on SMARTBoard activities and ideas, so feel free to bring lesson ideas with you.

Instructor: Kathy Ray, a 19 year veteran teacher who has experience with Kindergarten through adult learners. She has experience in the junior high and high school classroom along with 9 years as a technology coordinator and computer teacher, the last six at St. Jude School.
