## Course for Teachers

# Smart Board for Teachers of Math

Want to use effectively the SmartBoard in your math classes? The *tech-reach* program of Elder High School is offering the class:

## SmartBoard Use for Teachers of Math

**Date:** Monday, August 16, 2010 from 9:00 a.m. to 11:30 a.m.

**Where:** Elder High School's Schaeper Center off of Glenway Avenue

**Cost:** \$5 per student CEU's (.25) can be earned.

**Description of Course:** We will be using SmartBoard version 10. This 2.5 hr course helps teachers learn the very basics of how to use the SmartBoard in the classroom, with special emphasis on teaching math. Students of this course will learn to use the menu bar and tools in toolbar, convert written words to text, add, delete and rearrange pages. They will learn the best use of Gallery, attachments and receive hints for use as classroom teacher. Mr. Knepfle will make a short presentation on a simple Math topic to show how he incorporates some interesting features.

**Instructor:** Chuck Knepfle, a recent Elder High School math teacher who successfully has used the SmartBoard in all his classes for the past 6 years and who has taught his fellow teachers in using the Smart Board successfully.
